

GOLF

Peoria is a hidden gem for high-quality golf. Our beautifully landscaped and nationally renowned courses are waiting just for you. There are over twenty golf courses in the Peoria Area adding up to over 110,000 yards of greens! The area offers courses for beginners through advanced, each one including affordable green fees and breathtaking views.

One of the area's premier golf courses, **WeaverRidge Golf Club** received 4 out of 5 stars from Golf Digest. It was also ranked number one in the state by Zagat readers in 2009, as well as #37 in America's 100 Greatest Public Courses. Set in rolling hills and forested valleys, this is a community unrivaled anywhere in Central Illinois, planned for challenging golf for players of all ages and abilities. Masterfully created by Hurdzan-Fry to balance nature with design, WeaverRidge features multiple bent grass tees and fairways, fast and true greens, challenging and dramatic elevations and excellent practice facilities for those wishing to improve their game or just get warmed up before the round.

Golf Digest rated **Coyote Creek Golf Club** 4.5 out of five stars. This 18-hole par 72 course designed by the late Bruce Borland, Senior designer for Jack Nicklaus, is a championship golf course with a country club atmosphere. It has 4 tee boxes on bent grass fairways and is challenging and fun for all levels of golfers.

Practice year-round at **Peoria Park District's Golf Learning Center & Academy**. The facility includes both indoor and outdoor practice facilities, allowing golfers to enjoy the game

at any time of the year regardless of the weather. The building itself contains an indoor putting green, an area with nets for practice and lessons, a full-service pro shop and food service. Outdoors, it offers all-weather tees on the driving range, the 9-hole Pitch and Putt Course a practice putting green, and practice sand bunkers. The driving range, complete with covered, heated hitting stations for the winter, consists of re-created hole layouts, allowing players to actually place shots instead of having to imagine them. There isn't a shot in existence you can't practice at the Golf Learning Center!
