*Definition of a Special Stacker: A "Special Stacker" is one that has a diagnosed Physical and/or Mental disability that would impede with the "normal" functioning necessary to perform a variety of physical skills. A Special Stacker must be identified by an agency or professional as having one of the following conditions: intellectual disabilities, cognitive delays as measured by formal assessment, or significant learning or vocational problems due to cognitive delay that require or have required specially designed instruction.

LEVELING TIMES

Special Stackers will qualify to compete in one of two "Levels" in their age division. We have patterned qualifying for each Level after the Individual competition itself. We ask that an adult oversee (or time) the Stacker for three tries, record each time in the spaces below and then fill in the Best Time. If using a StackMat, the Stacker will start and stop the timer and correct all fumbles. If using a stopwatch the Stacker should: start with hands flat on the table; have no false starts; correct all fumbles; and be timed to the 1/100 of a second. Timer says "Ready...Get Set...Go!" and starts the stopwatch on the word "Go".
